TITLE OF PROJECT: High School Life Skills and Behavior Classrooms Remodeling

DESCRIPTION OF PROJECT:

This project includes a reduction of 254 square feet of floor space in the behavior classroom as well as the addition of 10 student computer workstations and student locker space for up to 10 students.

The 254 square feet of space from the behavior classroom will be incorporated into the life skills classroom to provide space for large equipment storage, wheelchair recharging stations, and a discreet physical and occupational therapy location. Areas within the life skills classroom will be upgraded to include an ADA compliant kitchen, an ADA compliant restroom with shower facilities, and an independent living skills laboratory.

ESTIMATED TOTAL COST: \$126,968.47

**TOTAL AMOUNT TO BE
FUNDED BY IDEA-B ARRA:** \$126,968.47
