

Texas NCLB Report Card

Section 1111(h)(2) of the No Child Left Behind Act (NCLB) requires each local education agency (LEA) that receives Title I, Part A funding to disseminate specific LEA- and campus-level data to 1) all LEA campuses, 2) parents of all enrolled students, and 3) to make the information widely available through public means such as posting on the internet, distribution to the media, or distribution through public agencies.

To meet this requirement the Texas Education Agency (TEA) provides these statistics at the state level and for each district or campus that is required.
