Dear Vandal Community,

I want to start off by saying thank you for making me feel so welcomed and accepted here at Van High School. I have been teaching and coaching for the past 5 years and the transition into the assistant principal role has been pleasant. I am looking forward to the 2011-2012 school year and welcome the challenges and opportunities ahead of me. Van has always been a district with high standards and expectations and that is what sets Van apart from surrounding schools. The high expectations along with community support, is what allows our students to excel. As Assistant Principal, I hope to serve the community by making decisions focused on improving the already spectacular educational environment available to Van High School students. If there is anything that I can do to aid in the education of your child, please feel free to contact me at prider@van.sprnet.org or (903)963-8623. It is a true honor to be a part of such a close knit professional community.

Sincerely,

Richard Pride
