Dear Parents and Guardians:

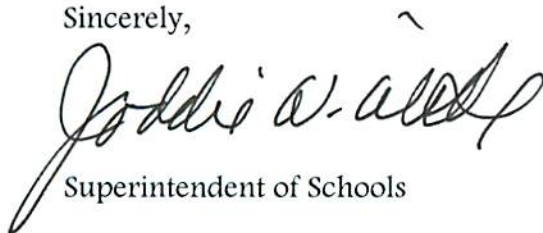

The Van Independent School District is pleased to announce the implementation of Family Access by Skyward, Inc. for the 2010~2011 school year. Family Access is a secure Internet based website that will allow you to easily keep track of nearly everything your student(s) does while at school. Among other things, this new service will allow you to view your student's attendance, grades, schedule, progress, assignments, emergency information, and it will even allow you to help select your student's courses. Family Access is a free service and will be available to all parents with children enrolled in the district.

In order for you to begin using Family Access next school year, you will need to register for a login and password. You can sign up for your unique login and password by sending an email to lockettj@van.sprnet.org with your full name and phone number and students name.

We are very excited about how Family Access will help you stay informed about your student's progress and hope that we can use this tool to create a stronger relationship between parents and our school community.

If you have any questions or concerns, please contact Janet Lockett at 903-963-8328, lockettj@van.sprnet.org.

Sincerely,

Joddi A. Allen

Superintendent of Schools
